
FLYNN, CHARLES

LEGEND: TEFFT: = DETECTIVE JOHN TEFFT
 FLYNN: = CHARLES FLYNN

FLYNN: [Personal data deleted]

TEFFT: Good. Hey, thanks for giving me a call back.

FLYNN: No problem.

TEFFT: Hey, uhm, I'll just take about five minutes of your time here.

FLYNN: Okay.

TEFFT: If, you got five minutes?

FLYNN: Yeah.

TEFFT: Great. What I want to do is, uhm, I have my final report here in front of me that I'm gonna submit.

FLYNN: Okay.

TEFFT: And I wanted to just, you know I went over it with you the other day. But, I wanted to just kind of read it to you line by line and make sure we're, you know that we're a hundred percent correct and this is the report that I'm submitting.

FLYNN: Right.

TEFFT: And so, it will just take me a couple of minutes. And like I said, if you see any, if there's any corrections you want made. Let's, I want to do it, so we can get it all squared away. Okay?

FLYNN: Okay.

TEFFT: Allrighty. It's says, uhm, and basically what we call here is called an "in essence" report, basically, you said in essence, it's not direct quotes. It's, it's, you know it's written in the first person and it's, I tried to get it as correct as possible. So I mean, if there, there's some verbiage here, that, you say, well, geez, I'd never use that word. I mean, if it's something, it's something you want corrected. We'll correct, but just to keep in mind, it's, it's not a transcript, per se.

FLYNN: Okay.

1 TEFFT: Okay. It's say, it's says, I live at this address and it referring to [Personal data deleted].
2 I have two roommates. One of my roommates is a female by the name of [Personal data
3 deleted]. The other roommate is a female by the name of [Personal data deleted]. You
4 know, I really can't tell you too much about her. I don't even know her last name. You
5 know when we talked that day, that's kind of what you told me. My wife [Personal data
6 deleted]. This evening [Personal data deleted] was with her boyfriend and I haven't
7 seen her since. My wife was at the beach. I assumed [Personal data deleted] was not
8 home, but I have since learned that she was home during this incident but was asleep. I
9 was downstairs watching television. I heard someone walking around upstairs. I was
10 come, it was coming from [Personal data deleted]'s room. I found this odd, because I
11 believed I was the only one home. I went upstairs to investigate the noise. I walked up
12 to [Personal data deleted]'s room. The door was closed. I opened the door and the room
13 was dark. It wasn't pitch black, but it was very dim. No interior lights were on. There
14 were some exterior lighting coming into the room. I saw an object on [Personal data
15 deleted]'s bed, at first I thought it was clothing. Upon closer inspection, I saw a male
16 lying on her bed. The male was lying face up on the bed on top of the covers. He was a
17 black male about twenty eight years old, approximately six foot two, a hundred and
18 ninety pounds with black close cropped hair and he was dark complected. As I recall he
19 was wearing dark clothing possibly a sweat shirt and sweat pants. I said, you got to get
20 out of here. He said, okay. He then said, I was just watching the ocean and this is really
21 pretty comfortable. When he spoke his speech was clear, he did not use any slang. His
22 speech was soft and slow. The male got up from the bed and walked from [Personal
23 data deleted]'s room out onto the sun deck. He seemed dazed as if, as he was walking
24 around. He stopped for a second on the deck and looked around. He appeared to be
25 under the influence of drugs or alcohol. After the male exited onto the deck he walked
26 eastbound and climbed over the railing of the deck onto the deck of the property next to
27 us. And , and I put in parrend here [Personal data deleted], end of parrend. The person
28 just hung around on that deck. I walked downstairs went out onto the street and onto the
sidewalk of Queens Town Court. I started to speak to this male while I was on the
sidewalk. He was upstairs on the deck. I asked him his name, the name of the person
who lived there and what he was doing. He was evasive and he just said, a friend of his
stayed there and that he was going to leave in the morning. He told me, I can go now, if

1 you want. And I told him it was a good idea. I went back into my house. I thought I
2 should call the police regarding this man's behavior. I telephoned the police and
3 reported what was going on. When I made the initial call I was in my living room. I
4 subsequently went outside and was standing at Strand Way and Queens Town Court.
5 While standing outside, the black male and a white male walked up to me. The white
6 male told me he lived at the second dwelling. He started to tell me the black male was a
7 friend of his. As we were talking the police officers arrived. They parked their car on
8 Strand Way. The officers got out of their car and walked up to us. They asked if I was
9 the person who called, I said yes. They asked who the person I called about was and I
10 pointed to the black male. The police officers directed the white male and the black
11 male to sit on the stairs of 3753 Strand Way. The officers asked the males general
12 questions about who they were. Had they ever been arrested? Things like that. I know
13 the black male was vague. He said something about needing to go to court for some
14 traffic violation, something to do with drugs. I don't really remember. The officers
15 turned to me and told me to step back. At that time, the black male jumped up and
16 started to run eastbound on Queens Town Court. He had only gone a couple of feet
17 when one of the officers grabbed him. And a struggle ensued. One of the officers
18 sprayed him with mace. He was able to break away and continued running. A second
19 officer caught him a few feet down on Queens Town Court. The black male picked up
20 the cop and threw him to the ground. The black male continued running eastbound on
21 Queens Town Court. The officer started chasing him. The black male turned the corner
22 onto Mission Boulevard and run, and ran northbound, the officers chased him. A few
23 seconds after the officers rounded the corner, I heard some shots. I think I heard about
24 five shots. I walked down to Mission Boulevard and I was able to see the person lying
25 on the ground. The person the police officers shot is the same person who was in the, in
26 my apartment. I don't know the white male. I would describe him as a white male,
27 twenty nine, six one, one ninety with brown hair. I think he had a hat on. He was
28 wearing a shirt and shorts. But, I can not tell you the color of them. You know, I don't
know where he went during the foot chase. I have lived at this address since [Personal
data deleted] and I'm not familiar with any of my neighbors. And that is the, the report
that I, that, that's from my notes. The, the report that I took from you on that evening.

FLYNN: Okay.

1 TEFFT: Now is it, is, let me ask you this. Now, you may have learned some things since then
2 but on that night in question this is the statement that I transcribed from you or I that I
3 gleamed from you. Is this statement accurate?
4 FLYNN: Yes.
5 TEFFT: Okay. And is there any corrections, no matter how minute that you think I should make
6 to this statement?
7 FLYNN: Uhm, no corrections. Everything is correct.
8 TEFFT: Okay.
9 FLYNN: Uhm, except one last thing. I
10 TEFFT: Okay.
11 FLYNN: At the end, you say, I don't know any of my neighbors. I do know a few of my
12 neighbors, I just do not know him.
13 ///
14 TEFFT: Okay. I got it. So, is it better be phrased, I'm not familiar with neighbors at [Personal
15 data deleted].
16 FLYNN: Right, right.
17 TEFFT: Okay. Alrighty. And
18 FLYNN: And I don't know if you want to add this
19 TEFFT: Yeah, that's
20 FLYNN: or it's pertinent, but,
21 TEFFT: Yeah
22 FLYNN: but, uhm, when I called the police, I called 411 first and got the local number for the
23 police station.
24 TEFFT: Okay. All right.
25 FLYNN: And I called them.
26 TEFFT: Alrighty.
27 FLYNN: I didn't call the 911 number.
28 TEFFT: Okay. Now,
FLYNN: Yeah.
TEFFT: has anything, now again, on July 26th, I was out and I talked with you, uh, uh, Detective
Young and I were out.
FLYNN: Uh-huh.

1 TEFFT: Has anything transpired since July 26th, that you think is germane to this investigation
2 that I should know about to add to your statement?
3 FLYNN: No. Nothing.
4 TEFFT: Okay. Nothing new to report?
5 FLYNN: No.
6 TEFFT: Okay. Alrighty, uhm, uh, when uh, just hang on, some one just passed me a note. One,
7 one, hang on a second, what do you want me to ask, hang on a second?
8 UNIDENTIFIED: (Unintelligible)
9 TEFFT: Oh, when, when you walked down to the corner on Mission Boulevard
10 FLYNN: Uh-huh.
11 TEFFT: to, after the shooting, did the man, the white man, you've since learned his name as
12 Randy
13 FLYNN: Randy
14 TEFFT: West.
15 FLYNN: Yeah.
16 TEFFT: Right, did Randy West walk with you down to the corner?
17 FLYNN: You know, I did not see him walk down there.
18 TEFFT: Okay, you didn't see, see him walk down there?
19 FLYNN: No.
20 TEFFT: Okay. He may have, but as far as you know he didn't.
21 FLYNN: As far as, he may have walked down there, but, I did not, I don't remember seeing him
22 there.
23 TEFFT: Okay. So, you, you've since learned that, that the white male that we refer to is named
24 Randy?
25 FLYNN: Right.
26 TEFFT: Now have you spoken to Randy at all about this?
27 FLYNN: Yeah, I have.
28 TEFFT: Okay. Has he told you anything of, of nature about this at all?
FLYNN: He hasn't told me anything.
TEFFT: He hasn't told you anything?
FLYNN: No, the farthest our conversation went is are we made sure that our situation wasn't
gonna, go any further.

1 TEFFT: Uhm-uhm.

2 FLYNN: You know, there was no animosity between the two of us.

3 TEFFT: Right.

4 FLYNN: That was it. That's all we, we made sure. We didn't talk about anything regarding this
5 case though.

6 TEFFT: Okay, did he try to explain what, what his friend was doing there that night?

7 FLYNN: No, he didn't.

8 TEFFT: He didn't try to explain anything to you? Or did he try to explain the, the man has since
9 been killed his name is Dubose.

10 FLYNN: Uhm-uhm.

11 TEFFT: Has he, did he try to either that night or the other day on Monday, did he try to
12 rationalize or justify Dubose' action to, to you at all? Did he say, hey the guy's on drugs
13 or the guy was drunk. Or the guy was, you know, did he try to use, did he try to explain
14 this behavior at all to you?

15 FLYNN: No, he didn't.

16 TEFFT: He didn't try to explain anything away?

17 FLYNN: Nothing.

18 TEFFT: Okay. Alrighty. Well, that's

19 FLYNN: You might want to talk to [Personal data deleted] about that though.

20 TEFFT: Yeah, well we that's cool, we'll talk to [Personal data deleted] too. But, uh

21 FLYNN: Yeah, because I walked in on a conversation. And I think he was talking to the news
22 reporter or (Unintelligible).

23 TEFFT: Uh-uh

24 FLYNN: And uh, he did mention something, you know, that was this kind of guy he did, he did
25 weird things.

26 TEFFT: Yeah.

27 FLYNN: Uhm, I remember hearing something along those lines. I walked in right in the middle
28 of a conversation.

TEFFT: Yeah.

FLYNN: It might be pertinent to that question.

TEFFT: Sure, now that's cool and, and, and that would basically you've answered my question.
I just what you personally know as to oppose to and we'll talk to [Personal data deleted]

1 and, and I appreciate you not, you know, basically doing hearsay, so.

2 FLYNN: Yeah.

3 TEFFT: That's what my question is. So, on Monday Randy just basically didn't, uhm, he didn't

4 offer any kind of rationale for this behavior to you?

5 FLYNN: No.

6 TEFFT: Okay, well, do you have any questions of me at all?

7 FLYNN: Uhm, no, no I don't.

8 TEFFT: Okay. Well, uh, Chuck, thanks

9 FLYNN: What's the next step? I'm I out of this now?

10 TEFFT: Yeah, I, I don't anticipate, I don't anticipate unless something bizarre comes up ever

11 contacting you about this again. Not, not

12 FLYNN: Okay.

13 TEFFT: not that I dislike you or anything, but, I mean, I've, I've got my statement from you.

14 FLYNN: Okay.

15 TEFFT: I've confirmed that it's accurate. I'm gonna file my police report. Uh, what happens

16 next is this investigation goes to the district attorney. The district attorney's gonna

17 review this and see if the officers were, you know within the law and everything else.

18 And uhm, basically from my angle we're done.

19 FLYNN: Okay.

20 TEFFT: Now, there maybe many times, I'm not necessarily say it's gonna happen in this case.

21 Many times there's sometimes there's some civil litigation and stuff like that. They may

22 hire attorneys or private investigators or somebody and they may want to talk to you.

23 It's, it's your choice just like me, you can or you can talk to people if you want or you

24 don't have to just like I explained to you that day and whatever choice you want to make

25 is fine. So, you're not gonna do anything inappropriate. You're not gonna compromise

26 anything or do anything unlawful, so, you know, what, however you want to shake it

27 out. So,

28 FLYNN: Okay.

TEFFT: but, anyway, I think pretty much, you and I involvement is done and if you, you have

FLYNN: my card and if something else comes up, feel free to give me a call.

TEFFT: Okay.

FLYNN: Okay.

TEFFT: Okay, thanks a lot, Chuck.

1 FLYNN: Okay, bye, John.

2 TEFFT: Bye, bye.

3 END OF CALL.
